THANKS FOR GIVING -- 2006 Annual Appeal

As we celebrate this season, we would like to ask for your support of ChildPlan: a non-profit organization collaborating with other agencies, parents, community and business leaders to advocate, determine needs and reach out to the children and families in the community.

Two years ago, Maria Guzman was a stay at home mom with two small children and she needed help with her son who had special needs. Maria decided to take the Parent Leadership Training Institute offered by ChildPlan. Since graduating, Maria has not only learned how to better advocate for her children, but also uses these skills to help other children and families in our community. Today, Maria is facilitator, recruiter and manager of the People Empowering People Training in Spanish; she also works at the Silver Lane Family Resource Center, where she runs play groups three times a week.

Giving parents the support they need to become more active within the lives of their children and the community is just one way ChildPlan delivers its mission to proactively and effectively collaborate with the community to improve the quality of the lives of our children and families.

THIS YEAR WE ARE ASKING FOR YOUR SUPPORT TO PROVIDE PROGRAMS AND SERVICES SUCH AS PLTI, PEP, EARLY CHILDCARE AND EDUCATION INITIATIVES, AFTER-SCHOOL ACTIVITIES AND OUTREACH TO OUR COMMUNITY'S CHILDREN AND FAMILIES.

Please fill out the enclosed envelope and mail with your check made out to ChildPlan. If you are interested in learning more about us, please visit our website at www.childplan.org or call Donna at 860-291-1741. Thank you in advance for your support!

Sincerely,

John and Marti Choquette
